**PROSCREEN™ POP FILTERS**

Pat No.  
U.S. D525,238

Our Proscreen™ XL is an advanced design that offers a large 6" diameter screen with a narrow rubber surround that does not interfere with sound. Setup is easy with long clamp and 13" heavy duty gooseneck.

The original Proscreen™ PS101 has a 4.6" diameter screen with a 13" gooseneck with mic stand clamp.

The Proscreen™ PS100 features a 4.6" diameter screen with brass mount that tilts 180 degrees for easy positioning.

THE WORLD'S MOST EFFECTIVE POP FILTERS!

**NEW!**
